To strengthen Federal efforts to counter antisemitism in the United States
and protect the Jewish community.

IN THE SENATE OF THE UNITED STATES

Ms. ROSEN (for herself and Mr. LANKFORD) introduced the following bill;
which was read twice and referred to the Committee on

A BILL

To strengthen Federal efforts to counter antisemitism in
the United States and protect the Jewish community.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE; TABLE OF CONTENTS.**

4 (a) **SHORT TITLE.**—This Act may be cited as the
5 “Jewish American Security Act”.

6 (b) **TABLE OF CONTENTS.**—The table of contents for
7 this Act is as follows:

- Sec. 1. Short title; table of contents.
- Sec. 2. Findings.
- Sec. 3. Statement of policy.
- Sec. 4. Protecting Jewish students.
- Sec. 5. Securing Jewish communities.
- Sec. 6. Documenting online antisemitism.

1 **SEC. 2. FINDINGS.**

2 Congress finds the following:

3 (1) Antisemitism, which is often called “the old-
4 est hatred”, is a serious and growing danger for the
5 Jewish community in the United States and around
6 the world.

7 (2) Antisemitism has unique characteristics, in-
8 cluding the evolving use of conspiracy theories that
9 blame the various ills of society on Jewish people or
10 attribute to Jewish individuals a variety of evil and
11 harmful characteristics, as well as the portrayal of
12 Jewish people as too powerful or controlling and de-
13 serving of hatred and mistrust.

14 (3) Antisemitism also exists when Jewish indi-
15 viduals are held responsible for the policies of the
16 Israeli government, or attacked, disparaged, or de-
17 monized based on their real or perceived connection
18 to, affiliation with, or support for, the state of Israel
19 as a Jewish state.

20 (4) Holocaust denial and distortion, including
21 intentional efforts to excuse or minimize the impact
22 of the Holocaust and dishonor Holocaust victims
23 and survivors, reinforce the need for advancing accu-
24 rate and comprehensive Holocaust education glob-
25 ally.

1 (5) Protecting the history of the Holocaust and
2 recognizing and confronting Holocaust denial and
3 distortion are critical to preventing antisemitism.

4 (6) As stated in the American Jewish Commit-
5 tee’s report entitled “State of Antisemitism in Amer-
6 ica 2025”, the Committee found that 31 percent of
7 American Jews reported being the personal target of
8 antisemitism at least once over the preceding year.

9 (7) In 2024, the Federal Bureau of Investiga-
10 tion identified the highest number of anti-Jewish
11 hate crime incidents ever recorded by the Bureau
12 since it began collecting data in 1991, which number
13 represented an annual increase of 5.8 percent in
14 those incidents.

15 (8) Although Jews only make up around 2 per-
16 cent of the United States population, reported sin-
17 gle-bias anti-Jewish hate crimes comprised 16 per-
18 cent of all reported hate crimes and nearly 70 per-
19 cent of all reported religion-based hate crimes in
20 2024, which percentages reflect increases from prior
21 years.

22 (9) In 2024, the Anti-Defamation League (re-
23 ferred to in this paragraph as the “ADL”) reported
24 9,534 antisemitic incidents in the United States, in-
25 cluding physical assault, vandalism, and harassment,

1 which is a 344 percent increase over the average
2 number of such incidents during the prior 5 years
3 and an 893 percent increase over the average num-
4 ber of such incidents during the prior 10 years. The
5 2024 number of antisemitic incidents is the highest
6 number on record since the ADL began tracking
7 antisemitic incidents in 1979.

8 (10) Jewish Americans have faced an unprece-
9 dented rise in antisemitic incidents following the Oc-
10 tober 7, 2023, Hamas terrorist attacks on Israel.

11 (11) Increasing antisemitism in the digital uni-
12 verse marked by the amplification of antisemitic har-
13 assment, comments, tropes, and violent conspiracies
14 on online platforms, often can lead to increased se-
15 curity risks and additional offline acts of harass-
16 ment, assault, and vandalism.

17 (12) On April 13, 2025, on the second day of
18 Passover, an individual set multiple fires at the
19 Pennsylvania Governor's residence in Harrisburg,
20 Pennsylvania, while Governor Josh Shapiro and his
21 family were inside, with the attacker stating that he
22 was upset by the Governor's stance on the Israel-
23 Hamas war.

24 (13) On May 21, 2025, a gunman shot and
25 killed 2 Embassy of Israel staff members, Yaron

1 Lischinsky and Sarah Milgrim, as the staff members
2 were leaving an event at the Capital Jewish Mu-
3 seum, in Washington, DC.

4 (14) On June 1, 2025, a man used a makeshift
5 flamethrower and Molotov cocktails to attack a
6 group in Boulder, Colorado, as the group gathered
7 to express solidarity for hostages being held by
8 Hamas, which injured at least 13 people and re-
9 sulted in the death of 82-year-old Karen Diamond,
10 a Holocaust survivor.

11 (15) On January 10, 2026, an attacker set fire
12 to the historic Beth Israel Congregation in Jackson,
13 Mississippi, saying he was animated by its “Jewish
14 ties”.

15 (16) On March 12, 2026, an individual drove a
16 vehicle containing explosives into Temple Israel in
17 West Bloomfield, Michigan, targeting a synagogue
18 and preschool filled with more than 100 children and
19 staff.

20 (17) Antisemitic incidents have increased dra-
21 matically in many educational settings over the past
22 several years, with many Jewish students facing dis-
23 crimination or a hostile environment at schools, yet
24 antisemitic incidents in schools remain under-
25 reported.

1 (18) The Department of Education’s Office for
2 Civil Rights is tasked with ensuring that all stu-
3 dents’ civil rights are protected on campus, yet there
4 is a backlog of discrimination complaints that re-
5 main pending before the Office for Civil Rights.

6 (19) On December 11, 2019, President Trump
7 signed Executive Order 13899 (20 U.S.C. 2000d
8 note; relating to combating anti-Semitism) which in-
9 structed all executive departments and agencies
10 charged with enforcing title VI of the Civil Rights
11 Act of 1964 to consider the International Holocaust
12 Remembrance Alliance Working Definition of Anti-
13 semitism and its 11 contemporary examples of anti-
14 semitism.

15 (20) On May 25, 2023, the Biden Administra-
16 tion issued the first-ever U.S. National Strategy to
17 Counter Antisemitism, which outlined a whole-of-
18 government and whole-of-society approach to tackle
19 antisemitism and included more than 100 actions for
20 Federal agencies to take and calls to action for Con-
21 gress.

22 (21) On January 30, 2025 President Trump
23 signed Executive Order 14188 (90 Fed. Reg. 8847;
24 relating to additional measures to combat anti-
25 semitism), to combat the surge of antisemitism on

1 college campuses and in communities in the United
2 States.

3 (22) While antisemitism most directly and in-
4 tensely threatens those who identify or are perceived
5 as Jewish Americans, it also undermines democracy
6 and threatens the safety and rights of all Americans.

7 **SEC. 3. STATEMENT OF POLICY.**

8 It is the policy of the United States to—

9 (1) raise awareness of and educate the United
10 States public about the history of Jewish Americans,
11 the Holocaust, and antisemitism in all of its forms
12 and manifestations;

13 (2) provide resources to oppose antisemitism;
14 and

15 (3) implement whole-of-government and whole-
16 of-society efforts to combat antisemitism, including
17 through close and consistent collaboration between
18 the Federal Government, the private sector, civil so-
19 ciety, faith leaders, law enforcement, and community
20 leaders.
